“ Dear Bonnie and Family,  
Our sincere condolences to you and yours. Many of us from Gary's high school class (Milwaukee Lutheran H.S.) were very happy to see him again at our 45th class reunion.  
Bonnie, I am working on our 50th class reunion and so I will be contacting you personally in a year or so when I contact each family.  
May God grant you His peace as you celebrate Gary's life. Cindy (Azinger) Muther

“ Gary touched so many peoples lives and I'm so happy to have been one of them. His unique personality and quirky mannerisms are something I'll never forget. I will miss him terribly and yet relieved he is now pain free and able to watch over us down here & keep the angels on their toes up there. God bless you Gary & my deepest condolences to Bonnie, his children and all other family members. We loved him at Tax Air.
