“ Tracy, Frank & Tim,
My heart breaks for you all as you go through this unimaginable and difficult time. My memories of George will always be of his mischievous and playful personality . I enjoyed teaching him and working with him during the plays. I know the time will come when the pain will subside and your heart will be filled with joyful memories and the happy times you've spent with your beloved George. God Bless your family and Godspeed George as you journey to the next place.

Love,
Christine Santos (Clement Ave.)
