“ I just heard about Gil's passing. I knew her as a fellow sister in Sweet Adelines. I imagine she's in a quartet in Heaven or better yet a full chorus of women who have gone before her and of course in Sweet Adeline style met her with a rousing version of "You're As Welcome As The Flowers in May"! Please accept my sincere sympathy for your loss. Barb Hyder

Gil and I started High School together in 1949 and had been friends since then. She stood up for my wedding in 1955 and was also my younger son's Godmother. I enjoyed a visit with her in December 2015. She was a wonderful friend. She played the accordian, french horn, piano and sang too! A very talented lady. I know she is at peace now and I will truly miss her. Mara L. Kaspar

“ What a wonderful, funny lady! Met her a Harmoni-Q Chorus back in 1982, possibly. She loved music! Who doesn't? Haven't seen her in a while but she was way too young to pass. Horrible diagnosis - Cancer! Having experienced the effects on family members, I extend my sympathy to her son. She is free of pain and in a far better place. Pat Kasper

“ Gil was fun and funny. We shared the love of music and making people happy. Our quartet "Blue Plate Special" toured southeastern Wisconsin for eight years. It was the most fun a person could have that wasn't illegal. Gil was my cheerleader for many things in my life and I'm ever grateful our paths crossed. She never seemed her age - a good person.
