“ Reminising with my Dad tonight, I remember visiting Aunt Gladys and she took us on a tour of Milwaukee in her convertible. She was so proud of that car! I remember going back to our hotel room telling my Dad how much fun she was. She was just as sweet in person as the stories I grew up hearing from my Dad. I could see why he loved her so much.

Thoughts and prayers for the family and my Dad. My faith tells me she's in a better place tonight.

“ Sending my deepest condolences to my cousins for the lost of their mother, my Aunt Gladys.

Moving to New Orleans with my Dad after my Mom passed in the early 70's, I didn't make it back up north as often as I'd like. But when I did, seeing my Aunt Gladys was one of my highest priorities. Aunt Gladys was always as happy to see me as I was to see her. She always made time for me, even as a child. Whether it was picking me up sick at school, taking me to McDonald's for my birthday, taking trips with her and her family in the Maroon Chevy Station Wagon (I can still smell Uncle Ronnie's cigar and to this day when I smell one I think of him), or the summer days just sitting on the swing in the back yard - I can still feel your arm around me. Aunt Gladys I know you knew how much that I truly loved you. I'm so glad you got to see and know the happy man I grew up to be, and that you got to meet my wife and son that fills my world with love to this day. I felt you were so proud of me and for me. That meant so much.

I know today you're with Uncle Ronnie, Richard, my Mom, and Grandma. With all my heart I want to say I love you and with a heavy, heavy heart I will miss you.

I can't help but to think of the Garth Brooks song "If tomorrow Never Comes", I'm happy that over the years I was able to do as the song says - tell that someone that you love just what you're thinking of if tomorrow never comes.

Again, THANK YOU for all your love, it will always mean the world to me.

Your Nephew,
Paul Kitzman
