“ Guy and I were thick as thieves for almost our whole lives. Guy was born and raised in Wisconsin, and was a Master Mason. We found out later that we both were raised as Master. Myself in Whitefish Bay, and I'll be damned if I ever found out from Guy. We were born the same year, and were in class together until 4th grade when the principal (Mr. Henske) at Lincoln Elementary decided that we could no longer be together due to the entertainment that we were always providing for the less interesting kids. We both played trumpet, but Guy sucked at it. He was cool at being a man, a father, an awesome dude, and great friend. Having a friend named Guy in and of itself was just rad. He really was respected by the whole Milwaukee community on people our age. He knew everybody from every school, and was just the easy going, merry prankster, that we all knew. His soul is in me, and I know he took a part of all of us when he left too. He's got a little box with a key in my heart for sure.

*I am so so surprised by this news. YEARS ago, when I worked at Sentry Foods, Guy Jr. and my niece (Miss Monica) would play together. At that time they were 5 years old. My mom (Monica's grandmother who is now in heaven) enjoyed watching them play together (two beautiful children). Praying for God's comfort to all of you...Tina (and Harry) Roberts.*
