“ Aunt Helen was very special to me. She was my favorite. As some of you know she and uncle Gene opened their home to me to stay with them, Kevin, Bootsy and Joey til I was able to get established there in Milwaukee. She helped me to get a job at Allis Chalmers where she worked many years. Helped me through some tough times back then. Taught me that if the dish water didn't burn my hands it was not hot enough! Always was and will be an inspiration to me. I will miss her. Karen, Kevin and Mom (and countless others) I know you are hurting now also and pray you can remember the good times and know I am hurting with you as are many others.

“ On behalf of Betty J. Heid, her family would like to express our sympathy in the passing of Helen. We understand that Helen and Betty worked together for many years at Allis Chalmers and remained fast friends. Our prayers go out to Helen and her family with a clear understanding of your grief. Betty went to her Lord on the same day as Helen and will also be laid to rest this Saturday. We are certain they will both be looking down on our families this Saturday and sharing fond memories in Heaven. May God Bless You!
