“ One of my favorite memories of Helen is when we were on our way to the Fireside dinner theater in Fort Atkinson. On the bus ride she asked what I do for a living I told her i worked in a clinic. She borrowed a pen I gave her a drug company pen. She loved it. I told her to keep it. She told me she does not take any drugs due to horrible side effects. After that trip she always would ask me if I had any new pens. I would make sure I did when I saw her have a nice new pen for her. She always loved Spring Fling at Holy Spirit church and we were luck to share birthday cheese cake for her 100th birthday. We will miss her and I do feel happy for knowing her.
