“ *Dearest Aunt Arlene and Tim,  
I am so sorry that Uncle Hank is no longer with you. I'm so far away  
and it's hard to say goodbye this way. I can still here is laugh (even  
after all these years being away). His hilarious dry humor and the way  
he spoke with his "south side" language. My childhood  
memories include all of you, and I wouldn't change a thing. But, no  
longer in pain, no longer suffering. He's hanging out with Chester  
and having a whiskey with Johnny Carson. Love you all so much.*
