“ This is a very big loss for me. The last few days I've been going through times we spent together and talking on the phone. She would come out to Vegas with Ron and Debbie And would laugh so hard. So many memories as a child and as I grew up we became closer. She was such a strong woman and fought to the end. She was very close to my father John Schwab, and helped me when I was grieving, Actually the whole family helped me get through it. To the family I am praying for you as for myself. I am taking this pretty hard. We lost an angel on earth And now we have an angel in heaven.
