NV

“ *So grateful the Lord allowed us to experience a wrechet life so that we could fully experience a righteous life. We were fortunate to live this long. Our lives we're filled with sin but turned to hope and new life (John 3). I look forward to joining you and Ralph and all the other saints made righteous through the blood of our Lord and savior Jesus who made this all possible. Until we meet again I'll cherish the memories we experienced in knowing Christ and the new life he gave us and offers to all who repent of they're sins and receives Christ as Lord and Savior. I'll continue to sow the seed of the Gospel until then. Love you brother!*

TO

*So important to say nice things about ppl when they're alive. Ppl remember how you treated/spoke about them, especially their loved ones. Opinionated, arrogant, judgmental types.*
