

Jack Timothy Barrett

June 16, 2021

Jack passed away in Milwaukee, WI on June 16, 2021, at the age of 21.

Jack had an adventurous spirit, charismatic personality and a laugh that was truly contagious. He had the ability to light up a room upon entering, and was the first to make a joke that captivated everyone. Jack had an easy-going take on life, as well as a calming presence, and he never sweat the small stuff.

Jack was blessed to live a life of adventure and worldly experiences. He played soccer for most of his early years, once traveling to Spain to train & compete. He's gone snorkeling, ziplining, white water rafting, loved cliff jumping with friends and, of course snowboarding. Jack had a love of photography and talented in art and drawing. His generous heart also took him on two mission trips to Costa Rica.

Jack did Jack. He was always truly himself, he never let anyone, or anything change him. He created memorable experiences on family outings, holidays and developed a unique relationship with those that were close to him. Jack had so many interests that all conversations with him were meaningful & enjoyable. To be a friend of Jack's meant someone always had your back and your life would be filled with constant belly laughter.

Jack is the beloved Son of Kelly (nee Blaser) Barrett and Tim Barrett. Loving

& Favorite Brother of McKenna (Santi OssaVeladia) Barrett. Dear Grandson of Sue and Mike Barrett, Karin Blaser, and the late Nathan Blaser. Much loved Nephew to Shane (Kellie) Blaser, Sara (Brian) Tilton, and Matthew Barrett. Loving Cousin to Mark Reszczyński, Mason (Jenna Robinson) Reszczyński and McKayla & Ethan Blaser. Further survived by additional extended family and so many genuine friends, including Will Osowski, Frank Nannicola, and Brianna White.

I'm sure Jack will be hanging with his longtime friend Sam Vertelka, surely catching up on some serious snowboarding.

“ Our hearts are with you Kelly, McKenna, Tim and all of Jack’s extended family and friends. While there is no gesture nor words that can truly erase the pain of missing him on this earth – I trust that his spirit and the comical lightness he embodied will find ways to comfort and surprise you when you need it most. We wanted to do something special for Jack – something that endures...is strong...that is cherished as Jack is...and can be enjoyed by others who have Jack’s similar spirit for adventure and nature. Our family has made a donation in your honor to protect/preserve a giant Sequoia in the Sierra Nevadas. Much love,
Steph, Tim, Taylor and Connor
