“ I have so many great memories of the time Jackie and I spent together. Our trips to Vegas, our outings to Marty Zipkos, Dirty Jacks, Humpin Hannahs, Olivers and many more. The times spent with Irene, Boots and Aunt Nenna at the bar in the basement and all the family gatherings. Jackie was a loving friend and I will miss her more than words can express. My prayers and thoughts are with her family in this time of sorry. In Jackies last email to me she expressed that she did not want us to feel sad at her passing but to remember all the good times we had with her and to remember all the love she gave to us.
