“ My dad was a very devoted man to his Artistic Craft's and Pary Supplies shop. Dad devoted his whole life into all his business. He started out as working as young as 8 or 9 years old as a paper boy to help support his family. He had to because his family counted on him so they could eat. I remember stories he used to tell me about, how he'd need to go out in below zero weather to peddle papers.fad had a ruff life considering all. When I was 7 years dad leased a restaurant called Melba's Restaurant. I helped dad as I grew up in the restaurant. I was VERY close to dad even though he didn't have to much time for me. I'd wait up for dad real late at night just to hear dad's voice was very comforting to me. So as I grew and time went on he had different businesses. I always had GREAT respect for my father! He was loved so very much by me his daughter. When dad was just 20 he took on helping my mother Melba Olenburg, raise her children. There was Ronnie, Orin, Terry, Lori and Jeffrey Samphere. He had a BIG job ahead of him ! Dad always was very respected man. He was also in the painting business. The boys would help and work with dad. Dad, I love you more than words could ever say. You will surely be missed especially by me your daughter Melody, Sirna. Rest in peace my beloved papa.
