“ Omgosh mom!! I don't know how we will continue on without you. She was the best mom and grandma you could ask for. Her grandchildren meant the world to her. We have so, so many wonderful memories of her so that is what will keep us going. We will miss all her silly stories and corny jokes and most of all her love. I loved her so much and this is so very difficult but knowing how much she loved us and what joy those kids brought to her brings me peace. she will live in our hearts forever. ❤️
