“ I worked with Janet at Poto for years, in separate depts. I am so sad. I remember talking to her on FB right after Poto let go of 1600 employees because of Covid and she said to me, we are the lucky ones to get out of there. My deepest sympathies to family and friends. She was a true wonderful down to earth chick. See ya in Heaven.

“ One of the memories I have of Janet was the year my siblings had a custom cutting board made for me for Christmas. Every Christmas I made cookies for everyone. On the cutting board was various items painted that I used or made. I remember how happy and proud Janet was, pointing out the items she got without me catching on.

“ I am Diane's sister in law Nannette Ouimette, and live in England with my partner Ian. My very first memory of Janet was when she took myself and my partner Ian to O'hare airport to a return journey back to England having just spent time with family. We stayed at Betty's, her mothers house for a night with Di and George.

Ian is really interested in the US casinos and she took us there just hours before we were due to get to the airport. She showed us around and we even had a good flutter. Ian won a rather small but all the same exciting jackpot and it made his day. She was so kind and attentive to us. It was another Wisconsin experience we had thanks to Janet.

We are, like everyone, so shocked to here the news. We pass on our love and to let you know you are all in our thoughts.

Janet loved feeding the horses and hanging out with them when she visited us in Door County. Here she is with Savannah, Claire's horse. Shelby was such a good doggie on those drives from Milwaukee, she slept all the way! Those visits were so special!

Janet and I had the same nickname for each other- "Beautiful" imagine that! This is a perfect example of her beautiful smile.

“ Janet worked at Potawatomi Casino as a Compliance Officer in accounting. She took great pride in her work and enjoyed sharing opportunities the job brought with others. If you were lucky enough, she was able to get you in on a "Meet and Greet" with a concert front-liner before the performance. Others were able to attend Green Bay Packer and Milwaukee Brewer games with Janet in exclusive venue experiences. Janet's kind and generous heart thrived on sharing these experiences with others.

Drue and I were fortunate to go to a Bucks game with Potawatomi and Janet was in the suite.

I worked with Janet in Accounting for many years. Being with her all that time meant we usually had a blast at work. She was a dear person and the first I knew that had a cell phone.

“ Don't worry mom, Lori and Andrew took me in. I'm not to sure about their cat but im sure this family will take good care of me. I really like Joshua and Jazmin. They are dressing me up, BUT I refuse to let them put me in a Dallas Cowboys jersey. I miss you mom until we meet again. 🐾🐾🐾🐾🐾, Love Shelby

“ It breaks my heart to say this but my Great Aunt Janet Slivka just passed away. I can't believe she was taken away so soon. I remember every Packer game, the family holidays, the taco truck get togethers and the embarrassing Facebook posts she made and tagged me in 😞. She was the most kindest person I have ever met and I'm very lucky to call her my aunt. To this day she has her cover photo of me and my army buddies in Afghanistan. I'll keep making her proud of me and continue to make sure her memory is not forgotten. I love you aunt Janet and hope I made a proud enough nephew for you. Thank you for everything you've helped me with and Go Pack Go!!! 🧡💚
