“ *I am so sorry for your loss. Janet was such a wonderful and caring mom and friend to all who came in contact with her we have known the Zamitalo family since I was a little girl and she always treated us like one of her own kids. There were so many things that our family and their family went through when we were growing up in the same Greenfield neighborhood like when Penny was climbing a fence and ripped her leg open and she ran to my parents home for help and I think my mom had to calm Janet down more than Penny before we could take her to the hospital or when Randy ended up with a hole in his head and again ran to my parents for them to help him so that he wouldnt get in trouble from his mom lol..Janet you will be greatly missed by all the peoples lives you have touched one way or another. RIP and may GOD Bless you.*

“ *I am very sorry for your loss, my deepest condolences to the family. I have known Janet my whole life as her family was my second home. I have many good memories of Janet, one that sticks out the most is the love she had for all her kids and grandchildren. They were everything to her. I pray she is at peace and with her late children in eternal life watching over all of you.*
