“ Jason, u will forever be my male partner in crime. We have had some of the best times of our lives when you lived with me. Its been a long road,, thats for sure, but the road was cut short when God took you to heaven. You have lived a great life and left this life a wonderful, amazing person. I'm so proud of you and your accomplishments. I'll forever remember my best "bears fan" friend and you will always have a special place in my heart. Until we meet again, watch down on us, keep us safe, and enjoy the ride up there with Josh. We know you two are riding motorcycles all over heaven right now, living the dream. You will be missed by many. ❤️💔❤️
