Tribute Wall

“ *For Jayne from Greg*

Jayne was someone special to me.

She was someone to fight with.

She was someone to cry with.

She could sometimes understand me better than anyone else could.

When we were young, Jayne was often there for me through good times and bad.

Sometimes she was close. Sometimes we were far apart.

Sometimes I might have wished I could have changed Jayne.

But I now realize that if I had changed anything about her, she wouldn't have been Jayne. Some people think a sister is just a sister.

But Jayne was more than that. She was and will always be a good friend.

And she will always remain someone very special to me.

Ode to Jayne

Thank you for being there and for giving me a chance.

Thank you for giving a care and not judging with a glance.

Thank you for your support and your loyal heart.

Thank you for no report and no judging on your part.

Thank you for loving me through the good times and the bad.

Thank you for joining me in the fun times that we've had.

Thank you for being born, and I thank God for your life.

Though at times our bond was worn, we always got through that strife.

Because you were my sister and a part of the same family,

Like many of our old pictures, you're always in my memory.

Our love will never end, this life we've made together,

Because on this you can depend, I'll always be your big brother.

Proverbs Chapter 3:

A Sister is more precious than jewels, and nothing you desire can compare with her.”

“ *Mom, you were the bestest mom ever. You've been an inspiration since the day I was born. I can't imagine life without you. You were always my biggest fan, gave me the benefit of the doubt, always believed in me, and my hugest cheer leader. Mom I miss you so much may you rest in heaven*
