“ She was the nicest and most caring woman. She would help anyone and everyone before she ever thought of helping herself. She is the closest thing j know to a saint and I will miss her immensely. I remember growing up with you on national and going to play slots at the bar. I remember watching Walker Texas ranger and night rider while eating fruit pops and drinking coke on the bed with you. I would have to push you and wake you up every 5 minutes because you would start snoring. I'll always remember you and miss you aunt Jeanne. Xoxoxo I'll be looking up in the sky for you and I hope you look down on me and my son. RIP

“ *I remember many wonderful things about Jeanne. She never had MUCH. It didnt matter to her where she lived or the vehicle she drove. She always said "here, this is for you"!!!! She thought of herself last and had a heart of gold. I know she spoiled me rotten when i was LITTLE TONY.....her laugh was contagious and her smile LIT up the room. RIP Jeanne.....love you LOTS and LOTS.....*

Even in her hard times she always had a huge smile on her face and was so excited to see visitors. I've known and loved Jeanne since I joined the family in 1971. She was so special and love for her nieces and nephews knew no bounds

Jennie was a very open person she would take care of anyone especially her family. Even if you hadn't seen her for a while she would make you feel you saw her yesterday. Her love for her neices abd nephews was obvious. She was the fun aunt.
