“ To my beloved sister Jeannine. A gift of love and inspiration to thank you for being my sister.

You've had a special light around you from the day you were born. It shines brightly and makes you stand out in a crowd. Your heart was always open, ready to share or just listen to those in need. Your arms were always ready for a hug and a reminder that god has a plan. You are a bright light that shines in my life. You are my shining star.

Rest In Peace my sister and this is not a goodbye but a way for me to say that I love you and will see you again.
