

Jeffrey Scott Kneringer

June 5, 2018

"JK" unexpectedly passed away June 5th at the age of 56. Father of Kristin (Mark) Schieble, Stephanie Mattson and Jacob; loving grandpa of Kendra, Max and Serena; son of Lester and Phyllis (Nee Miller); brother to Leslie (Jim) Moczydlowski and Barb (Rohn) Larson; former spouse/friend to Susan Kneringer. Also survived by nieces, nephews, other relatives and many friends. Jeff enjoyed being in the country (especially Waupaca and Crivitz), watching the Packers and NASCAR, grilling (most notably corn on the cob) and just plain having a good time. What brought him the greatest joy was his friends and family; he will be deeply missed. "G'day JK" forever in our hearts.

“ Jeff you were always there when someone needed help, an answer or an opinion. Always in a pleasant mood even when your life was chaotic or pain got the best of you. I know your kids meant the world to you and kids in general were always drawn to you. My parents treated you like a son and you were like a favorite brother to our family. Good times, bad times and hard times, we always got through it all. I will miss you greatly and never forget the happiness you brought into all our lives! A lifetime of love and memories.....G'Day JK RIP

“ Dad, you were the greatest father we could ask for. You were always there for your family. If I was sick you would take care of me. If I needed help with my car you were also there for me. You had so much energy in you, mostly from all the coffee you would drink. You were always out and about living life. One of the things that will be missed especially will be the Green Bay packer score updates you would message steph and myself.

We all miss you and love you so much,
Your son ~ JKK

“ My big brother, my forever friend. I am going to miss those times when you and I would talk about old times and the things we did growing up. You and I would laugh so hard until we were crying from laughing so hard.
I makes me sad to know that no one will ever make me laugh like that again! And you would always say “thanks sis, I knew I could count on you for a good laugh.
Love your little sis!
