Dear Jean and Family, I am so sorry to hear of Jerrys death. I know all to well the grief that comes from losing someone you love. I will always and forever remember Jerry. His dedication to his family and his home were evident to all who knew him. I will also remember the times Jean and Jerry spent with my mom and dad on the farm. My mom could not wait to show off her culinary skills and I know Jerry and Jean enjoyed their time there. Jerrys booming voice, his laugh and his wonderful sense of humor will always be with us. Jerry we all loved you and always will. May Jesus on the prayerful whispers of His Mother Mary take your hand and with all the angels lead you unto your eternal reward. RIP and always in my prayers.
