“ *I am so sorry for your loss. I met Joan at our guest home near mayo clinic in rochester. She was a very pleasant guest, and I am so thankful I had the privilege of being her friend. I admired her courage as she faced the dreaded disease of cancer. She was a special person, and I wish I could attend her funeral, but due to a death in our congregation here in Mississippi, I will not be there. May God keep you in the hollow of His hand. My love and condolences to you. Bonnie koehn.*
