“ Schpoot,

it's so hard to say goodbye to a sibling. You share a lifetime of memories, childhood secrets, and a bond that cannot be broken. You always looked after me and made me feel safe. I want you to know how much I love you and how much I am going to miss you. I will always cherish our memories, keep our childhood secrets, and hold that bond together until I see you again someday.

Love your little sis,

Deanna
