“ *Fond memory of my dad is when he came out to California years ago. We took him to Sea World. As we were walking around we found a pit where they kept elephant seals. Well dad being dad he reached in to pet one. It of course bit him. He look at me and said I guess that's not all schnoz on his face. I looked at him and his expression and just burst out laughing. And kept on laughing until I was crying.*
