“ I met you a few times and you made Tina beyond happy so for that reason I'm so sad that you are gone. You definitely were cool as hell, but I know the demons took over and won, but really you were victorious cuZ now you can take care of Tina and the babies from heaven and not hell.

ME

“ Jooooooooeeeyyyy,
I have so many memories I want to share and will never forget. sledding with a garbage bag, when u tied my leg to the door teaching me how to drive, rolling backwards down a hill when you were teaching me stick shift, hammering my car tire back on, wearing your overalls when I skipped school.. you were always there when someone needed you.. even when it came to a stranger stuck on the side of the road. I feel blessed to have known you. You will forever be in my heart ❤️

“ There was never enough of Joey to go around, especially when it came to all the kids. He would always make sure every kid felt welcomed and included. He would treat your kid like his own, and thats what I loved and will miss about him most. RIP liquid poopy- (inside joke we had) you will be missed, Forever in our hearts!
