“ *Prayers are with the family, a life cut way to short. I will miss his loud yawns, all his baking that he delivered, playing trivia questions with him, and just talking with him about all of life's issues. He was a very intelligent man who is going to be missed! MY HEART BREAKS FOR ALL!!!!!!!!!!!!*

“ *Sorry for your loss, was always a joy having Joe in class and seeing how serious he was about his studies and continually wanting to learn new things.*

“ Sending strength and support in this difficult time. You could always find Joe smiling and building relationships with professors and students to make the most of his time at the university. Joe was featured in a university video talking about his experience and future plans. I hope hearing his voice and seeing his smile brings a moment joy in this time.

“ Joseph you were our best friend for 20 yrs. Cat Steven's said in his song Oh very young, that you dance on this earth for a short while. Your dance was too short. We love you and we miss you already. Until we meet again. Valerie & Glenn
