December 17, 2024

Beringer, Joshua D. Beringer was born October 23, 1991 and born to eternal life December 17, 2024 at the age of 33 years. Son of Rick (Donna) Beringer and the late Lisa (Brian) Felda. He is also survived by his grandfather Dale Collins, grandmother Leila Collins and grandmother Elizabeth Beringer, sister Jesse (Nick) Dale and step-sisters Sara Wright, Paula Vrakas and Dayna Howard. He was blessed by many nieces, nephews, other relatives and friends.

Josh will be remembered as a young man with many talents. His journey through his life had him achieving numerous achievements. His dedication and perseverance led him to great successes in soccer and running. Josh completed his first marathon in 2013 in San Diego, finishing in under four hours. The look of accomplishment on his face afterwards showed how proud he was of himself. After running, Josh continued into body building. His commitment there led him to winning awards in competitions. His ability to create with his hands showed another talent. His works in ceramics and pencil drawings showed his ability to connect in a different way.

Josh had wonderful character. His love and caring for others reached well beyond imagination. The cliché says “He would give the shirt off his back”... this was Josh. His caring extended to always making others feel better... “don’t worry, it’s all good”. Josh will be in our hearts with his unconditional love and brilliant smile. He will be missed.

“ I am absolutely heartbroken to hear this news. Josh was a great guy with many struggles and it killed me to see him suffer. When I was going through a hard time financially, he always made sure I had Ian's pizza to eat. Not many people know they give free slices to the homeless. I'm going to miss him terribly. I'm so sorry for everyones loss.
