“ My Thoughts and Prayers are with the family. I have worked with Juanita for little over a year as her Mentor Teacher. My name is Mrs. Harris, but she always called me Mrs. Harrison. She was passionate about teaching and learning. She worked hard to help students be the best learners possible. I will miss her energy and power.

“ When the students were set to come back to school from the pandemic, Ms. Matias helped me set up my room. She must have seen my panicked face because I had so many desks to arrange. She came in with the attitude of "Let's get this done! I got you," and I so grateful for her help. She was always so nice to me. My condolences to her family. Luis Lopez, Greenfield School
