“ *I will always remember you as a strong willed person. Good and kind hearted. You always treated my sons and me with love. We could always share a laugh and a meal as family. I miss that part of life with you and your family. It makes me sad and happy at the same time. Sad you have left us so soon, but happy you can be back with Tino and you parents again. I will never forget you. I love you. Rest in peace.*
