“ *Kamari, I considered you as one of my grandsons. You were so full of life, such a great guy all the way around..You always hugged me when you came over and called me Grannie. What an honor. Love and miss you.* ☐☐❤️❤️🙏🙏

“ *Its been a month and still doesnt feel real. I have countless memories of you pa. You were just such a good vibe. You had an unforgettable smile,and one of the most loyal people I have ever been blessed with knowing. You were my Capricorn twin. I pray you have transitioned to wherever you need to be and that you are at peace. You made your mark down here. Youre so missed. We love you so much.* ☐❤️☐🙏
