“ With deepest sympathy, our hearts go out to you Aunt Margaret, Vicky, Tom, Kim & Chris. Uncle Ken was greatly loved by all who knew him. I am so glad you two were able to be snow birds with your 5th wheel in tow. So many great memories. We will all be reunited with him when our time comes. As he has been reunited with his parents & siblings. He no longer suffers & is in good hands with the lord. May the good Lord give you strength to carry on. Rest in peace uncle Ken, see you in heaven. Love you all always!!! Joni & Steve Postler

“ My deepest sympathy to all of Ken's family. Maggie please take care and stay strong. I really don't know what Ken would have done without you. You're a very special lady.

*I'm sure you know how much the gang from Department 472 EIMM's at Delco Electronics respected, loved, and enjoyed many, many sheephead games with Ken.*

*I still say he was one of the most knowledgeable persons at Delco. His experiences and tutoring to the rest of us was invaluable. We could always count on him for the correct answers to our questions. I remember his "little black book" that was referenced by him if the answer to a question was not immediately available to him.*

*Ken will always be remembered very fondly by his friends from Delco !!*

*Frank . . . you've said it all. Ken was a mentor to us all in my time at Delco and more.*

*And. . . . Thanks to Ken, we still to this day make 'Mrs. Durkee's' oatmeal cookies that he asked Maggie to share the recipe with us..*

*Fond memories of his amiable and thoughtful nature.*

*Condolences to Maggie and all of Ken's extended family !*

“ Awww, Uncle Ken

*I loved all of your stories. I loved how you made the hula girls dance on your muscles.. I loved when you knew I was old enough to make you a martini in Uncle Paul and Aunt Carol's downstairs.. And most of all, I loved you calling me Goldie. I even saw it in your eyes when I saw you last.. Thank you for everything Uncle Ken. I promise to love your family forever and make sure you're at the gates when I get there...XOXO*

*I was a little girl, maybe 10, when Uncle Ken came to stay with us for a few days in California. He made the hula girls on his muscles dance for me and I was so happy to see him with my Dad who was his wife's brother, and my Mom, sitting at the table laughing and drinking, telling stories and playing cards. Although he was in Wisconsin and we were in California, we warmly welcomed our reunions when we could. My last favorite memory was when he and Margaret drove their motor home to California and my brother Bo and I met them a couple times for visits and meals. I love you Margaret and send love to you and cousins Vicky, Tom, Kim and Chris. Love you, Sandy Brady*
