“ *I am terribly sorry for the family's loss. I only met Lauriel once through her aunt Stacy, and it was always known how special and loved she was by her. Stacy, may you find peace in knowing you were always there for Lauriel and her two precious children with your unconditional love and support. May she rest in peace. Kim Best*

“ 19 years ago you became my best friend. we did everything together.

you were the one i told my secrets too, my fears, my silly stories.... you knew who my first crush was, and stood by me in a lie of "ew he is so gross i would never like him!" just so the rest of the class would not find out.

we got into so many things together...good and bad.

dressed the same...idolized the same people...and even disliked the same people (many of which were not for valid reasons lol)

i look back on all of the memories we have shared and can not thank you enough for being in my life. We may have not seen alot of each other these past years but our short chats via txts and messenger have always made me smile.

you were a beautiful person...inside and out!

i can only hope that you are somewhere just as beautiful watching down on all of us

rest easy my love. i will see you again some day (with plenty of gossip to share)

love always,  
kayla

“ *Hey Lauriel Pinchard i just wanted to say I love you and the family truly loved you. I know we haven't talk in years but doesn't talk back all the good times we had hanging after school. Riding the city bus all day just having a blast. Staying up late listen to music . You were a amazing person you always cared about others way before your self. I just wish I could have said I loved you one last time and I wish we could have kicked it one last time. God I'm miss you . I know we drifted in our older years but I know for fact i will always have a special place in my heart. I just cant imagine life with out and the kids especially they loved you so much god it hurts. But me and Rochelle Rigden love you a lot and you mean the world to us! Good bye love you cuz*

“ *My dearest Lauriel,*

*I still can remember when you would come over after school with Donald just like it was yesterday. You would always be laughing and giggling with your bright eyes and beautiful hair. We will all miss you so much and we are thankful that the kids are here to always remind us of you and your spirit. It's not fair that such a young life was cut so short, but we know you are flying high with the angels with Uncle Donald, Carol and Rich, and Papa Pete and Grandma Olga. I'm sure they greeted you at the gates of heaven will open arms. We don't like to think of this as a goodbye, but a see you later. Until we meet again, beautiful.*
