“ You were t much of a country music fan but this made me think of you today.

*I believe 'em when they say you're in a better place
You had a wild side but you had amazing grace
I know you're way off up in them clouds
But if you can still hear me right now
I hope you hit those gold streets on two wheels
I hope your mansion in the sky's got a ten-acre field
Miss you big brother*
