“ I just heard about Larry’s passing today. I was very sad to hear this. He would sit in my office for hours telling me stories about his past. I loved listening to him. He had quite a life. I’ll always remember his contagious laugh and his big smile!

“ I have happy memories of Larry at Prospect Group home . We would go to Koppa's every week for a lottery ticket and Larry dreaming of what he could do with the money. He enjoyed talking about his daughter and what he could give to her if he won. I have often thought of Larry after Prospect closed and he will continue to be in my thoughts.

“ I used to be Larry's Social Worker from Community Care. I absolutely loved knowing Larry. He was always happy to see me, always had a smile for me and remembered me from way back when I first met him in 2006. It was a pleasure to have known him. Favorite memory! He used to call info commercials late at night and then in the next several days he would get free items in the mail. Always interesting!
