

## Lawrence "Larry" W. Lee

February 10, 2026

Born to Eternal Life on February 10, 2026 at the age of 83 years. Beloved husband of Marilyn (nee Brzeczowski) for over 60 years. Loving father of Mary (Jeffrey) York and Steven (Heidi) Lee. Proud grandfather of Kaitlyn (fiancé Nicholas), Madalynn, and Jacob. Brother of the late Barbara (Jack) Schweitzer. Brother-in-law of the late Jim (Camille) Brzeczowski, the late Janet (Ken) Gosseck, and Cheryl (Jim) Kalupa. Also survived by nieces, nephews, other relatives and friends. Larry is also preceded in death by his parents, Clifford and Emily (nee Procek) Lee and his Grandson, Tyler.

Larry lived a life marked by service, dedication, and love. After proudly serving his country in the United States Navy for two years, he went on to dedicate his career to protecting others as a firefighter with the Milwaukee Fire Department from January 8, 1968 to May 24, 1990. His courage, compassion, and unwavering commitment to his community left a lasting mark on everyone who knew him.

A true family man, Larry's greatest joy in life was his beloved bride, Marilyn, with whom he shared a lifetime of love, laughter, and partnership. His family always came first — whether it was cheering on his grandkids at their activities, enjoying family gatherings, or simply spending quiet evenings surrounded by those he cherished most.

Outside of his service and family, Larry found joy on the golf course and in the excitement of a day at the casino. He was also a lifelong Green Bay Packers fan who rarely missed a game and proudly sported his green and gold.

Larry's warmth, humor, and kindness touched everyone lucky enough to know him. His legacy will live on in the hearts of his family, friends, and all those whose lives he touched.

“ While I am so grateful that I got to see both Mr. and Mrs. Lee just recently (last month) at my grandma's funeral, it will sadden me that it wasn't under better circumstances. Now knowing it was the last time I'll get to see Mr. Lee. I will always cherish growing up on 8th Street with all of you! My deepest sympathies! Love, Mindy

Larry with his family on his father's side. My mother Gayle Moore (Procek) and Robyn Cuevas (Procek) were his cousins. Gayle is standing next to Larry in the photo. This was a fun and memorable day for all of us! Love to the family 💕

“ I was with Larry the night he met his love, Marilyn, and became their chauffeur later in the evening. Soon afterwards, Larry and I took a road trip to KY and TN. All he thought about, and talked about, was Marilyn! Fortunately there were no cell phones back then, so he and I were still able to have a few conversations. Of course he wasn't much fun, I wanted to party! A year later, I had the privilege of being their Best Man on that very hot, humid day in June, 1965. Even the MFD showed up (not for the ceremony!). Larry was not yet a fire fighter, maybe that was the trigger. I met Larry in 1st grade, however we went to different grade schools afterwards. We didn't see much of each other until high school since he lived on "the other side of town." I'll always miss our annual couples getaway to our friends in Coloma. And will miss him dearly at our annual, small group of HS friends get-together every June. My sincere condolences to Marilyn, Mary, Steve and the entire family.

“ Brian and I were lucky enough to live right next door to Larry and Marilyn for the past 15 years. They are the best neighbors and became like family to us. I am grateful Larry didn't have to suffer for a long time and the Lord called him home quickly once he became very sick. I will always be there for Marilyn any time I can and whenever she needs me. May God surround the Lee family with love and compassion in the days, weeks and months ahead. May Larry's memories bring you all comfort in time.

Jeff and I constantly comment how fortunate we are to be condo neighbors with Larry and Marilyn. We loved them both the day we moved in! Larry will be deeply missed and we were blessed to know him.
