“ I have many memories of Uncle Leonard. Some of my fondest memories include him hiding a microphone to tape record the gathering in the house when we would all get together around the holidays, then trying to listen to the chaos later and trying to pick out at least one conversation. Also watching him put his airplanes together in the basement. Love watching him build those radio controlled planes. And also going shopping with Aunt Dorothy downtown Milwaukee, and Uncle Leonard coming to pick us up so we didn't have to take the bus home. Will always treasure those moments.
