“ *Leroy was a dear friend for many years. He will be sadly missed. Lots of good memories from Pine Lake. Midnight chicken dinner in ice shanty....braving major ice storm with them when they stood up for our wedding...building our house addition with "5 alarm chili" for lunch...fireworks on new years eve....and so much more. He was a gentle man who will be greatly missed.*

“ My grandpa had the kindest heart of anyone I've ever known. There was a always a hug waiting for you when you arrived, and a hug waiting for you when you left. One of my fondest memories of grandpa was fishing with him up in Canada. We were in the boat and he opened a can of stinky gulp bait and went to take a wiff. He was suprised by how awful it smelt. What he didnt realize was that he had accidentally poured half of the container on his jacket. The smell was so emense.... i had never laughed so hard in my life, my father and I were literally crying in laughter. Grandpa loved Canada. He could drink Brandy, fish, tell stories, and take naps. I'll miss you grandpa, your love knew no end. I cant wait to see you again.
