“ *Mom wasnt much of a cook. But she made the most beautiful clothes. She made ball gowns that put Alexander Wang to shame. Casual wear was also better than Vera Wang. She taught both her daughters how to sew. Thanks mom for teaching me the importance of how a fabrics drapes. It shaped my style more than any fashion magazine.*

An only child, who married an only child. Mom multiplied. She loved her children and grandchildren and her children rise up and called her blessed.

I know you're in heaven now. Walking in the Garden with Jesus and playing sheepshead with dad. And loving on your momma and daddy. Rest in peace mom I love you.
