“ *Linda and I were childhood friends. We went to grade school, jr. high and high school together and became good friends. In the 80's, my family and I moved to California. But Linda and I stayed in touch and she even came out to visit me. We sent holiday and birthday cards and spoke on the phone often. Then about one year ago, I couldn't reach her by mail or phone. I am heartbroken to learn that my dear friend has passed on.*

My deepest condolences to her family. Rest in peace my dear friend. You will always be in my heart.
