“ My sincere condolences in the loss of your loved one. I shared many good times with Linda back in the day, we worked together, and we were family friends, from going up north together, to having crazy camp fires and let's not forget those great poker games we all enjoyed ❤️

*With LOVE for you, Linda, my sister...but MORE than that, much more...the childhood dreams we shared together, the pains and joys we saw each other through in our adult years, and all these 70 years of just knowing YOU were there...SO many fond memories...Schlitz volleyball league where we were the FIRST to introduce our killer overhand serve, bowling leagues, working at Jim and Cheryl's REEL CONNECTION video store, all the treasured holidays spent with our families, additional memories off all the times spent on 7 Mile Lake (Pinecrest Resirt and the mom & dads place)..AH the list goes on and on...yes, even the Halloween party Hank and I had, YOU came as WONDER WOMAN!!!and the homemade wrist bracelets to go with your costume, had glitter EVERYWHERE FOR MONTHS!!! As my tears flow and heartache remain, knowing and going through your last years struggles, setbacks, suffering was met by YOUR STEADFAST DETERMINATION, POSITIVE ATTITUDE and support from Bob and all of your family ❤️..in closing, OUR bond was a SPECIAL ONE...God truly blessed us...we were fortunate to have an awesome family life, hard working parents that provided for us...you were a SISTER and FRIEND...MISSING YOU NOW HUGS & LOVE FOREVER DIAMOND LIL...SISSY*

“ Oh Aunt Linda, my Godmother❤️❤️ it was so good seeing you at Christmas; can't believe it was my last time seeing you. I'll cherish all the memories I have of you from growing up...birthday parties and holidays, 7-mile antics, my favorite dip that only YOU could make just right...rest in heaven and one day we will all be there to play some poker or Sheepshead and have cocktails! You will always be in our hearts-
