“ George,
I am so sorry to hear of Lori passing. I loved her dry sense of humor - similar to here Mom's. She was always fun to work with and truly her own person. I'll miss her. My deepest condolences. Please stay in touch and take care.

“ Hey George - I am Ellen ("Policht") Roy. I worked with you and Lori back in the day and stood up in your wedding. Val let me know about Lori and my heart just breaks for you. My memories of Lori were going out to see live bands and dancing all night, along with being on pool leagues with her. Her love for you and her animals are just a couple of Lori's attributes that are in my fond memories of Lori. I wish I could have seen you in person to give you a hug ~ sending love and healing thoughts.

Just heard about Lori fro Rose. George, I know what you are going through brother. Time will let a smile come to your lips when you think of her and all time you were together. Hang in there! I rember her sense of humor.... Once when I was in general stores she snuck in and went down the aisle next to the one I was stocking and removed a box and put her head on the shelf where it was and said boo when I noticed...never got scared that badly before or sense. I'll miss her and remember her forever.
