I will try to find the originals that aren't grainy. Hope their reunion is as beautiful as the life they lived together.

Doug and Ken, I am so sorry to hear that your dad had passed. I had been at Mass tonight and they did the memorial service for the deceased. I had always enjoyed talking with your parents whenever I would see them. I know that the old neighborhood is out in the middle of street talking away and maybe even having a beer or cocktail there too.
