“ One of my most recent favorable memories of mami was when I took her up to my place up north. She had so so much fun dancing, laughing, eating plenty shit and just acting like a straight fool up there with us and the grandkids.. The campfires roasting marshmallows and telling stories was another one of her likes.... I will definitely never forget them good times I had with mami. I love you and until we meet mami may you R.I.P.... Your son Albert
