“ *Mom, how we will miss you, Your smiles, your laughter and the love that you gave to us. There are so many memories, but you are with Daddy now, which has been so long since you last seen him. I am sure he was the gates of heaven waiting for you. Please make sure that you hug each other, and now I will have 2 angels looking over me. I pray to daddy often, and ask him for his help in dealing with the health issues in our lives. I think he heard me a few times, but now I know that 2 angels are better than one. Watch over my family, and know that I will never forget you or daddy. You can now join the "Happy Hookers" in heaven and have your Friday craft sessions in heaven. I love you "MOM", and i miss you already.
Your loving (youngest/baby) daughter!!!!*
