“ *"Days will pass and turn into years...but I will always remember her with silent tears." There are certain people that are deep in my heart for some reason or another, ones that I will never forget. Your mother is one of them. I was privileged and graced with her presence and it was my honor to care for her until she made her final journey home to heaven. God give your family peace and comfort during this difficult time of loss until they are reunited with you again. With deepest sympathy, Lynn (LPN @ Sunrise)*
