“ *What a heavy loss. Mi Abuelita is by far the most stand up and strong woman I have ever met! Her story is something to be wrote about. I thought I would have her forever in the flesh. I met her before I started walking. I guess I was spoiled and privileged to have her as long as I did. I believe my abuelita was well received by so many who has passed and now it's time to find peace that I am sharing her with the ones who embraced her on the other side. There's so many memories I can share and will do as we heal. I sure do know she carried us well as we did her! Until we meet again... Save me a spot Abuelis Love you too much!!*
