

Maria M. Silva

February 5, 2023

(nee Maria Elena Canales) Born into this world in 1946 and reborn into the Lord's Holy Kingdom on February 5, 2023...

Survived by her loving husband and lifelong friend Jose Luis Silva. Eldest daughter Magdalena Silva Hernandez. Son Jose Luis Silva Jr. Daughters: Veronica Silva, Julia Montoya Silva. Sisters: Julia A. Hernández Canales, Maria Virginia Canales, Juanita Jara Mercedes Villareal Isbel Ronco.

Grandchildren: Angel, Marc-Anthony, Jonathan, Jocelyn, Sofia and Francisco. Maria was a loving mother, wife, sister, grandmother and teacher of 30years. She had a big heart, was kind, a gentle soul, helpful and beautiful inside and out.

She always gave the best hugs and loved to see you no matter her pain or how she was feeling. She always received everyone with a smile and hug. She loved to laugh and enjoyed her family and grandchildren. Wherever she was, we were happy. And wherever she was, was home for us. With her warm loving, caring, kindness, gentle touch and warm hugs.

She taught for 30 years, loving what she did and who she took care of. She then taught and cared for children with special needs.

She always pushed us to be our best, to never stop learning and to achieve all we could. She always taught us to be kind, gentle and warm. But to never let anyone walk all over us. She taught us to stand up for ourselves and our rights and to fight for others who didn't have a vote or a voice.

She loved her sisters. Being one of eight sisters and one brother, the reason

she came to Milwaukee was to be the oldest sister and niece. But she had become an ESL teacher and one of the first for UMOS in Kenosha, Wisconsin. Then another aunt came up and there were three in Milwaukee with her niece. They would come to dances in Spanish where she met my father. Who at the time worked at Kenosha Memorial Hospital and how their fifty three years of marriage started. I was born in Kenosha and they then moved to Milwaukee.

True love story and true unconditional love of her children.

“ To know Mrs.Silva was an honor and a privilege. To be loved by her was truly a gift and blessing. She treated me like family. She had the biggest heart and the kindest spirit. She was a gentle soul but fierce when it came to protecting family and friends. To know what wonderful parents she and Mr.Silva are, you only need look at their children. They raised some amazing human beings who reflect their wonderful parents and the grand children as well. Kind, respectful, hard working and caring. When Mr. and Mrs.Silva barely had any money to spare, rather than shun me,they through me a baby shower when I became a too young mother. They bought me gifts and made a wonderful dinner for me and my family. When I recently had Cancer they were there for me. All the love and support I received from them meant the world to me. Truly people who would give you the shirt off their back so to speak if you needed it. Mr. and Mrs.Silva's love for each other was also something to aspire to. Mrs.Silva was a proud woman and one day when I had come across Mr.Silva brushing her hair for her I could see she felt a bit embarrassed at first until she realized the admiration on my face and she gave me a beautiful smile. That was one of the most beautiful moments I was privileged to witness. Unconditional love for each other and their family. Thank you Silva family for letting me be a part of your lives. Mr. and Mrs.Silva were/are the best role models. I love you all dearly and will miss Maria terribly but will remember her with a smile and gratitude for the time I had with her. Sad for us but happy for her that she is at peace with our Lord God in Heaven.

*All my love and condolences,
