

Marie A. Reith

October 20, 2023

We are saddened to say that Marie was unexpectedly reunited with her loved ones on October 20, 2023 at the age of 63 years. Preceded in death by her parents Robert and Donna (nee Puechner) Reith; her brother Bobby Reith; her sister Chrissy Reith; and most recently her beloved nephew, Nathaniel Hicks. Among others close to her, she is survived by her sister Terry (Neal) Randall, Patty (Tyrone Hicks) Reith and last but not least, her sister Connie (Bill) Plagenz.

Marie had joined the Air Force in 1981 as an Imagery Interpreter Specialist, upon discharge in 1987 went to school and graduated with a Bachelor's Degree in Education. She was special education teacher for Milwaukee Public Schools for a bit.

Between physical and mental health reasons Marie was unable to work. She struggled with many conditions that are too innumerable to state. She was a force not to be reckoned with. She was also a very generous person in all manner of ways. Some would say too generous, but that was Marie.

In the last couple of years she came to love zen tangle. That was a passion for her, she wasn't much of an artist but she rocked zen tangle!!

When I hear the song 'I fought the law' I think of Marie. She was a strong

woman. Marie wasn't a religious person, but very spiritual. She had studied and researched many different spiritual paths to find her way.

May she rest in peace.

Special thanks to the Milwaukee Veterans Administration Medical Center for all of their care of Marie throughout the years.

In lieu of flowers, please donate to any veterans organizations.
