“ I have so many wonderful volunteer memories of your mom over the last 20+ years. She was always so kind to me and fun to be around. I will miss ‘mom’ and her quirky sense of humor. I hold all you in my thoughts and prayers as you navigate this major loss.

“ Dear Barb and Marie and their families. My sympathy to all of you on the death of your (our) mother. Yes I still say she was my mother even after all these years because she always treated me as a daughter even after I divorced Michael . I tried to keep in touch with her as much as possible. She will be greatly missed by many. She was in my nightly prayers as well. Love you much
